

Carillion plc is one of the UK's leading support services and construction companies, employing around 50,000 people. We have an annual revenue of around £5bn and operations across Britain and in Europe, Canada, the Middle East, North Africa and Caribbean. We have a portfolio of award-winning work in areas vital to society: health, education and regeneration, road, rail, defence and commercial property. From first concept to ongoing facilities management and support services, we provide high quality, cost effective and sustainable solutions, tailored to the needs of our customers.

Carillion, has been selected as the contractor for Kent County Council's New Line Learning Academy and preferred bidder for the Kent Batched Academies programme, worth a total of £118 million. This exciting project delivered through Partnerships for Schools' National Academies Framework involves the design and construction delivery of 5 large secondary education facilities throughout the county of Kent.

The work is being managed from our West Malling office.

## About the project

The New Line Learning Academy is a £25m construction scheme. The 18 month project will involve the redevelopment of a new academy building with associated sports building and facilities, circulatory access roads, strategic landscaping works and car park facilities. Demolition works of the existing academy will take place on completion.

## Other

Health & Safety presentations have been held for the students, detailing potential risks that can occur on site.

## Getting in touch

You can contact Carillion's team as follows:

**Martin Clark – Project Director**  
Mobile: 07703 502481

**Andy Beavis – Project Manager**  
Mobile: 07803 261894

**Regional Office:**  
Carillion Building, Malling House,  
Town Hill, West Malling, Kent. ME19 6QL  
Tel: 01732 848888  
Fax: 01732 841111

## Works planned in the next few weeks

1. Completion of site set-up and accommodation
2. Continuation of ground works
3. Completion of the MUGA (multi-use games area)
4. We are currently constructing our long term site access road, further along from the school exit gate. These works have been discussed and agreed under the terms of the planning consent

## Progress to date

1. Archaeology works
2. Erection of fences to secure site
3. Temporary site roads
4. Works are progressing well with the site parking facility

## Minimising impact

We are aware of the potential impact of the works on you, our neighbours. We will continue to work to reduce this impact through:

*Keeping to the agreed hours generally, with deviation only by exception and prior agreement*

*Implementing best practice methods and modern equipment to minimise noise and vibration*

*Utilising noise and dust suppression methods*

*Monitoring noise and vibration*

*Monthly newsletters*

*Traffic management including on-site parking for all construction vehicles*
