

# DOG FOULING

**The few who inconvenience the majority of us**

Why should responsible dog owners have to clean up after the inconsiderate and lazy ones?

Why should parents have to suffer dog mess on their children's shoes and on push chair wheels?

**IF YOU LET YOUR DOG FOUL THE FOOTPATHS**  
we **WILL** target you and report you

You could be fined £75 or taken to court and prosecuted with a fine up to £1,000

You could also find yourself (and your dog) on a board of shame for all to see

**CLEAR IT UP AND BIN IT !!**
