Unfortunately we were not able to book our usual slot for this year and cannot hold this event until

We hope that many of you will still be able to come along to get at least some of your garden supplies, when we will still have a 20% discount available.

Until then, don't forget that you can still get 10% discount at Rumwoods on all items not otherwise discounted; for this you will need your 2021/22 membership card, which will be
